Sir,

In returning the Petition from Syed Mahomed Sultan Mohadeen Shah, Kadri Mokhtasur of the Durgah of Syed Mahomed Khalifah Kadri at Chennapatna, received under cover of Persaid Appaji's Memorandum No 310 of 13th August 1870, I have the honor to state for the Chief Commissioner's information that the repairs to the Durgah in question were estimated in December 1868 at Rupees 623, but the Estimate was not submitted for Sanction as the Chief Commissioner, on a former occasion, declined to sanction any repairs to the building, on the ground that it was repaired in 1864 at an outlay of Rupees 729 and that the Mahomedan

himself should repeat the repairs if necessary.

2. From inquiries since made, it appears that certain repairs are indispensable necessary and they are estimated to cost Rupees 425, The Petitioner promises to carry out the work in a substantial manner under his own supervision, but as the Deputy Superintendent states that there are no surplus Mooziry funds from which the charge can be met save a sum of Rupees 25-3-7 from the general Mooziry funds of the District, and that the work undertaken by Government as on a previous occasion beg to submit the estimate amounting to Rupees 425- for the final Commissioners orders.

Observes that it appears unreasonable to repair the building again so soon, when it was repaired so recently as 1864, whereas an interval of 11 years elapsed between 1853 and 1864. The Commr. does not see wherein the Mutawalee should not effect the repairs himself, and therefore [illegible]

Memorandum

With reference to the Cundidroo Superintendents letter No. 352/105 of the 10th Instant, submitting an explanatory letter from the Deputy Superintendent regarding the estimate of the repairs required to the Pedtaulsna Khadri Durgah at Chennapatam as also a Abstract Translation of certain orders that were issued 1853 to the Amildar of that Taloote about the Durgah; I beg to report that in Sidharthee 1799 80 Dewan Poorniah issued an order to the Amildar to grant 600 Pagodas or its equivalent in land annually to the Durgah; accordingly the said amount was paid annually to it, till the year Prara 1831/32, when it would appear from the Jusdeeke Patty issued for that year the grant was reduced to 500 Pagodas, which is continued to be paid till the present day, by the monthly instalments of Pagodas 41- 6 10.

In 1853 Peerotha Khadri the Head of the said Durgah, petitioned the Commissioner regarding its dilapidated condition and represented that when his grandfather was household Priest to Hyder & the latter erected building and made several endowments towards it,

it, that as the monthly stipend was adequate for lighting the place he requested that orders might be given to effect the necessary repairs at Govt. expence or from the moiety of the amount allotted for the Durgah, in the Sudder, if not that he be allowed 2 years leave for the purpose of going to the grandsons of Hyder Ali and obtaining some money from them for the repair.

This Petition was referred to the Supdt. who in his letter No. 149 dated 12th August 1853 submitted an estimate for the repairs at the time amounting to Pagodas 193-9-4½ and stated that "I (Major Haines) suppose it will be debited to the accounts of the Moozroi Clakhah." The Commissioner's sanction for the said estimate was conveyed to the Supdt. in this Office letter No. 162 dated 16th August 1853. Subsequently the Superintendent in his letter No. 90 dated 13th May 1854 submitted for the Commissioner's sanction an additional estimate amounted to Pagodas 59 " 15¼; which was also sanctioned.

In August 1858, the Commissioner was again petitioned by the Makandar, stating that repairs to certain portions of the Durgah were not carried out, and this was referred to the Superintendent who in reply vide his letter No. 1644/29 dated 14th September 1864 requested sanction

to

to the disbursement of Rupees 729 for this purpose; This also was acceded to.

All the above sums as well as certain sums expended on some petty repairs that were done to the Durgah during the time of Coorniah were debited against the Govt. and the repairs to the Raghavendra Swamy Mutt at Kunjengode, are also made from the Revenue of the state.

I would observe, that the Moozrai surplus funds are available for the repairs of Chuttrum & Dawestans only, I am therefore of opinion that the repairs if sanctioned by the Commissioner needed to the Durgah in question should be executed at the expence of the Government.

Encm. 22 Jan 65

I do not consider that it is politic to draw the distinction mentioned in the last para: of the Hon'ble Chief's Minute, that is to say that from whatever surplus funds we may have must be taken.
[It appears reasonable to retain the building upon which was appointed to exist in 1864 three years
~~The Govt. may be asked why that is necessary~~, or
interval of 10 years ~~lapse~~ elapsed between 1855

I therefore decline to sanction the estimate]

Его Превосходительству

Господину Министру

Юстиции

Отдел Гражданских дел Рижской Судебной Палаты, в предложении своем от 15 сентября 1864 г. № 2884 (по 638 производству), изъявил мнение, что Высочайшее повеление 19 Апреля 1862 года, о предоставлении Рижскому Купеческому Обществу права на производство в Риге, в течение 10 лет, ежегодных, в Великий Пост, торгов, не может быть распространено и на торги, имеющие быть в Рижском Купеческом Обществе в 1865 году, так как, по Высочайше утвержденному 19 Апреля 1862 года мнению Государственного Совета, право это предоставлено Обществу только на 3 года, с 1862 по 1865 год включительно.

Сообщая о сем Вашему Превосходительству, для зависящих распоряжений, имею честь уведомить Вас, что Правительствующий Сенат, по Высочайшему Его Императорского Величества повелению, не признал возможным распространить действие Высочайше утвержденного 19 Апреля 1862 года мнения Государственного Совета на торги, имеющие быть в Рижском Купеческом Обществе в 1865 году.

Sir,

Referring to your letter No. 2298/68 of the 10th instant submitting an Estimate of Rs. 433 for repairing the Ahobilam Kadree Durga at Chennapatam, I am desired by the Officer Commanding to point out that no explanation is given why this building in which Rs 729 were expended in 1864 is again in need of repair — in these cases there is usually a certificate from the Executive Engineer ~~on the papers~~ stating under what circumstances the ~~Charge~~ ~~for these repairs should not be~~ has devolved upon him ~~borne by~~ Government instead of the Incumbent of the building
